    Bachelor of Computer Science 3.74 GPA   Sept 2020 - current

Skills
MySQL, HTML, CSS, C#, PL/SQL, PL/pgSQL, Python, C++,React Native, Node.js,
Spanish (Fluent)

Employment
BYU-I Computer Information Technology TA   Sept. 2021 – current
- I help students learn the concepts that are taught in the CIT 111 (Intro to Databases) course. I have substitute taught various topics including but not limited to Normalization (1-3rd Normal Forms), ERD creation, and CRUD.

BYU-I Web Development TA   Sept 2022 – current
- I help students learn the concepts that are taught in the WDD (Web Fundamentals) course. I have substitute taught various topics including Grid.

Dominos Insider   July 2021- Oct 2022
E-Commerce Clerk (Fred Meyer)   May 2020 – Dec. 2021

Volunteer Experience
Missionary in Argentina   Oct 2018 - April 2020
- Learned Spanish (Fluent). Had interactions with people through teaching and service.
- Learned how to love the people, work hard, and live within a tight budget.
- Learned how to work with different personalities.

Eagle Scout Project   Nov - Dec 2015
- Planned, raised funds, and assembled emergency backpacks for Sexton Mtn. Elementary. This involved raising over $1,000 and coordinating twenty volunteers. Total contributed hours: 145.

Programming Projects
Holes are Bad – I worked with a team as configuration manager and acting team lead using C# to create a fully functional game that has a title, an end screen.

School website Validation – As a side project, I have been validating the HTML of our schools' website.

Honors/Awards
Eagle Scout   Jan. 19, 2017
